

SWAN Free & Confidential Mobile Testing

WHAT WE OFFER

SWAN provides free, confidential testing every 3-6 months.

We can test for:

- Chlamydia
- Gonorrhea
- Hepatitis B & C
- HIV
- Syphilis

We can come to your massage parlour, apartment, condo, wherever you feel most comfortable. We bring all supplies to your chosen location.

TESTING METHODS

Urine test – for Chlamydia & Gonorrhea

Dried blood spot test – for HIV, Hepatitis B, Hepatitis C, and Syphilis*

*Syphilis testing is non-confirmatory. A positive result shows antibodies are present, which can remain after a past infection. Further bloodwork is needed to confirm a new infection which SWAN can facilitate with accessing

TESTING CAN BE:

Self-administered – SWAN staff will guide you step-by-step and you do the test yourself

Staff-administered – SWAN staff will take the sample.

WHAT IS A DRIED BLOOD SPOT TEST?

A simple “finger prick” test where a few drops of blood are placed on a card for lab testing. Can be self-administered or done with staff assistance.
